

JOURNEY FROM THE AIRPORT LEONARDO DA VINCI IN FIUMINICO

1. Go from the airport Leonardo Da Vinci in Fiumicino in direction Rome (motorway).

2. After about 10-15 km you will automatically come onto “G.R.A.” (Grande Racordo Anulare = motorway ring around Rome).

3. On the G.R.A. (motorway ring) take “uscita 10” in direction for Firenze (roughly 25-30 km). There will be many exits.

4. Take the main exit Firenze. The road turns to northern direction.

5. Go past the exit “Settebagni”. After 15 km take the exit “Fiano Romano”.

6. After the exit “Fiano Romano”, go through the pay office “to Rieti” (not Viacard, not telepass, go to the line with the sign on which you can see a hand with money: fee 1 Euro).

7. After the pay office: You will come to a 4-lane dual expressway, drive to the end (4 km). At the end of the expressway turn left for Rieti, Terni, Passo Corese (the right turn goes to the Via Salaria back to Rome).

The road branches off to the Via Salaria (drive on the right hand lane) in direction Rieti; but after 200 meters, you have to turn left at the traffic lights in direction Terni, Poggio Mirteto, Passo Corese.

8. After 150 meters there is a right hand bend.

-Then you get to a round about. You have to take the second exit (sharp right, do not go up the hill), in direction Fara Sabina, Talocci, Farfa, Toffia.

-Now you will drive about 4 km, mostly bendy roads, (on the right hand side there is a petrol station, on the left there is the Ford garage Blasi), roughly 800 meters after the Ford garage Blasi - the road branches off left in direction “Mompeo, Farfa”, (in the house before the road branches off to the left, you have to pick up the **key from Mrs Anna Scipioni**). She will give you any information you may need. A new road takes you in direction “Mompeo Farfa, Prime Case”.

-You will go on for ca. 2,5 km on this road.

-On the top of the hill (on the right there is a road that goes up to Prime Case) go 30 mt straight on (Road sign “Mompeo, Abbazia Farfa”), 90° left bend, right hand bend, directly after the bend (after the big green dustbin) go left into a gravel road. Then take the second right turn and drive up to the house.

!!!!-Mrs Anna Scipioni is there to answer any questions you may have. **Mrs Anna Scipioni is German. You will have to leave your deposit with her and pick up the key. She lives directly at the intersection where the road branches off to Farfa, there is a motor vehicle repair shop and a recovery service on the left side of the road.**

Anna’s phone number: 0765-387564 or mobile: 333 243 3647 (If you are already in Italy, you don’t have to use the Italian national code, this number will work).
